TRAINING SESSIONS

3. Team Members are expected to treat each other, coaches and other officials with respect, and have the right to be treated with respect.
4. If a Team Member has any problems they or their parents/guardians have the right to request a meeting with committee members other than the Coaches or Team Manager.
5. If the Coaches or Team Manager feel that a skaters behaviour, general attitude or skating is a cause for concern they will follow the following procedure:
 - a. In the presence of another committee member the concerns will be discussed, the skaters must be given an opportunity to explain their feelings or actions.
The skater has the right to refuse to discuss the matter without their parent/guardian being present or may ask for a skating team member to be present.
 - b. If the situation continues or cannot be rectified at the initial discussion. The parents/guardian of the skater should be contacted and informed of the problem.
 - c. In extreme circumstances it may be necessary for the problem to be brought to the attention of the committee and if the situation cannot be resolved it may be necessary for the skater to resign or be suspended.

If any skater is suspended they have the right to appeal directly to the club chairperson, who will look at the complaint again and if they feel it justified they will call a special meeting to review the matter.
